Guest speaker: Marian Pallister

We are delighted that Marian Pallister has agreed to talk to us at the Annual meeting. Marian will speak about her forthcoming book on mining in Argyll. Much of Marian's research was undertaken in the Argyll Papers so expect a fascinating insight into a little researched aspect of the collection. Marian may even allude to her most recent research as a regular volunteer.

Lunch at 'The George'

Friends are invited to continue to chat over lunch in the George Hotel. Please let us know if you wish to stay for lunch so we can reserve an appropriately sized table. Please note that Friends will each need to pay for their own lunch.

The constitution requires a quorum of 10 members of the association to be present at the Annual Meeting. It will be very helpful therefore if you can let us know whether or not you expect to attend – please email archives@inveraray-castle.com.
